Here's how it all worked this year:

- Bike Shop Trophy riders could participate in the 8-hour or 4-hour elite solo or team categories
- The more riders and teams ride for a shop, the more series points they collect
- Bike shop solo riders and teams collected GP series points AND compete in a separate Bike Shop Trophy ranking
- Riders and teams need to be clearly identified as bike shop racers (team jersey and name, enter Bike Shop when prompted when you register online)
- All four GP rounds counted for points
- Teams: at least one original team member had to be racing every round
- Remember for 2012: staff members can ride for your shop, but also teams of customers!

**Thank you for your support of the SHIMANO MTB Grand Prix Series!
We are looking forward to the 2012 season - who's going to be the fastest bike shop in the
JetBlack NSW/ACT Bikeshop Trophy then?**
