

COVID-19 SAFETY PLAN

We want to reassure you that the health and well-being of our community is our primary concern. To this end, we are doing our part to communicate effectively and follow public health agencies and governmental authorities' recommendations.

Rocky Trail Entertainment will be implementing the following procedures to keep all our riders and community safe during our events.

SAFE EVENT EXPERIENCE

- Events will recommence when mass gatherings of 100+ are permitted in open outdoor venues,
- Event schedule will be modified to comply with number of permitted people at a venue. Additional racing sessions and event operations offered in timeslots ensuring compliance to restrictions. One day races may offer sessions over multiple days
- Race Waiver will be completed & signed digitally during registration process
- All spectator and supports/guardians will be requested to register online free of charge to capture contact details. On event day they will need to collect lanyard to confirm attendance
- On the day registrations (not encouraged) must be completed via rider's personal device,
- Rider briefing will be provided digitally via website, newsletter and social media,
- Riders are encouraged to wear cycling gloves when picking up their number plate,
- Hand-washing stations and sanitation stations are available at the venue for athletes, volunteers and spectators,
- Social distancing rules will be applied to all Event Hub services, including and not limited to; Registration desk, Start line zones, Food/Coffee services,
- A 1.5mtr spacing indicators will be implemented for service areas
- Results and category will be rewarded by a virtual (online video) presentation at the end of the weekend,
- No-handshaking behavior will be permitted at the event.
- If riders feel sick on Event day, they are encouraged to stay at home request to transfer their entry to a future Rocky Trail event
- Riders who have been overseas in the past 2 weeks are not permitted to race
- Riders who have been unwell in the previous two weeks are not permitted to race or volunteer
- Unless from the same family, riders /volunteers are discouraged to carpool to event.
- Frequent communication with health authorities and healthcare facilities will be implemented to assist in assessment, referral and initial management of suspected COVID-19 illness of staff, participants, volunteers, and spectators.

SELF-CARE AND RISK MINIMIZATION

- Regularly clean your hands with an alcohol-based hand rub or wash your hands with soap and water, especially after going to the bathroom; before eating; and after blowing your nose, coughing, or sneezing.
- Avoid sharing cups, and utensils.
- Riders must bring their own gloves and equipment
